PHOTO JOURNAL: UNMAS CLEARANCE TEAMS REACCREDITED TO SUPPORT UNISFA DRY SEASON DEPLOYMENT PLAN

As per the yearly UNMAS-UNISFA plan of operations, the UNMAS Integrated Clearance Team (ICT) and two Integrated Route Assessment and Clearance Teams (IRACTs) concluded remobilisation and refresher training following the contractual stand-down for the rainy season. After the completion of training, UNMAS conducted a provisional operational accreditation of the teams, ensuring their full operational readiness as of 1 November in support of UNISFA's dry season deployment plan.
